Madurai-625014.

Respected Madam,

As per Letter of Collaboration (LOC), we wish to organize Faculty Exchange Programme for this academic year 2023-2024. Dr.V.Sathiyendiran, Associate Professor and Head, Department of Chemistry in our college is willing to come to your reputed institution to handle classes for UG Chemistry students in the topic "Catalysis" on 29.09.2023.

Also, I request you to send your chemistry faculties for the same.

We need your Co-operation in future also.

Thanking you,

S.R.N. Ravindhar

Department of Master of Computer Applications (SF)

"MEMORANDUM OF UNDERSTANDING (MoU)"

SIGNING CEREMONY

Date: 10-01-2024 ***Venue: American College***

Time: 10.30 am

Introduction:

The Department of Master of Computer Applications (MCA) at Sourashtra College is pleased to announce the formalization of a significant partnership with the Department of Data Science (PG) at American College through the signing of a Memorandum of Understanding (MoU).

Objectives

This MoU aims to establish a collaborative framework for the following objectives:

1. Faculty and Students Visit
2. Faculty and Student Exchange
3. Research and Development Internship
4. Training Programmes
5. Guest Lectures
6. Any other activities viewed to be potentially beneficial.

The Inception Event:

The student exchange program marked the commencement of this exciting collaboration, shedding light on the immense potential and opportunities it holds.

Program Participation:

The event witnessed active participation from students of our department and those from the department of Data Science (PG) at American College. ***A highlight of the event was a guest lecture titled "Impact of Artificial Intelligence and Machine Learning in the Field of Data***

Science," delivered by esteemed speakers Dr. Ravia Shabnam Parveen and Ms. A. Dhanalakshmi from the Department of Data Science (PG).

Conclusion:

This MoU opens the door to a promising and enriching collaboration with our partners at American College. Together, we aspire to create diverse opportunities for our students, foster research and innovation, and reinforce cultural ties between our institutions. We eagerly anticipate the exciting journey ahead and look forward to achieving remarkable success together.

(Managed by Sri Ramakrishna Tapovanam, Tirupparaitturai, Trichy)
Tiruvedakam West, Madurai – 625 234, Tamilnadu

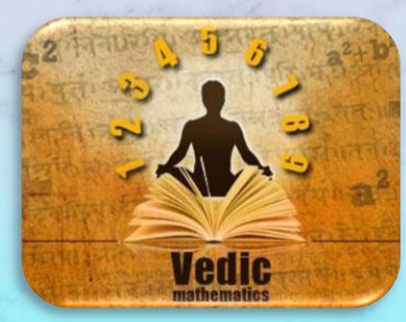
A Two Day State Level Workshop on

Vedic Mathematics

29 – 30, January 2024

Venue : Audio Visual Hall

(UNDER DBT - STAR COLLEGE SCHEME)



Consortium Programme Organized by

The Department of Mathematics of

- **Vivekananda college, Tiruvedakam West**
- **Mangaiyarkarasi Arts & Science College for Women, Madurai.**
- **E.M.G. Yadava College for Women, Madurai**
- **Sourashtra College, Madurai.**
- **Saiva Bhanu Kshatriya College, Aruppukottai**

ABOUT THE COLLEGE

- **Vivekananda College was started by Founder President Swamiji Chidhbhavanandha Maharaj of Sri Ramakrishna Tapovanam, Tirupparaitturai, Trichy in 1971. Vivekananda College is a residential college functioning under Gurukula pattern. The Gurukula system of training is therefore a humble and systematic attempt in reviving the age old GURUGRIHAVASA for wholesome education, attention to physical culture, devotion to duty, obedience to teachers, hospitality to guests, zest for life, love for the nation, and above all, humility and faith in the presence of god etc., are the values sought to be inculcated.**
- **Vivekananda College, Tiruvedagam West, Madurai – 625 234 is an aided college established in 1971 and offers UG and PG courses. This College is affiliated to the Madurai Kamaraj University, Madurai. The College was reaccredited in the 4th cycle with 'A+' grade (CGPA 3.33 out 4.00) by NAAC in the year 2023. The College was awarded College with Potential for Excellence by UGC in April 2016.**

ABOUT THE DEPARTMENT

- **Mathematics was taught as a subject in pre-university classes from 1971 onwards.**
- **From 1980-81 onwards B.Sc. Degree in Mathematics major was offered and so mathematics department became a full-fledged one. The college became autonomous in June 1987. So the department had freedom to chart its own course. Syllabi were framed in 1987 and updated periodically to cater to the career needs to the students.**
- **The department also did not fall back in repaying its social obligations. Our students, guided by the department teachers, become resource persons to teach mathematical concepts, Vedic Maths, Yoga etc., to the school students.**
- **Our students are encouraged to participate enthusiastically in all college endeavors and activities like NCC, NSS, controlling the public during functions and festival time, election duties, temple cleanliness etc.**
- **From 2021 – 2022 the department is funded by DBT Star College Scheme.**

ABOUT THE TOPIC

- **Vedic Maths is a system of mathematics that was discovered by an Indian mathematician, Jagadguru Shri Bharathi Krishna Tirthaji (1893 – 1961) during A.D. 1911 and 1918. Earlier he was called as Venkataraman, born at Tirunulveli, TamilNadu (State).**
- **Dr. V. S. Narasimhan (1972 – 1996), formerly Vice Principal and Head of the department contributed Vedic Mathematics at our department in his whole service for the student's community. Next, Mr. R. Jayabalan (1980 – 2013), formerly Vice Principal and Head of the department carried over this Vedic Maths to his period of service by organizing workshops every year. In their periods, our students had come as resource persons and they come across all over the world. For the past four decades, our department is acting as the Mentor in the field of Vedic Maths for the southern India.**

INTERNSHIP OFFER LETTER

Dear **Barani Kumar S R**,

We're excited to offer you an internship at Epic Mind. We believe your skills will be a great addition to our team, and we look forward to working together.

Internship Position: **Web Developer,**
Start Date: **15/05/2024**
End Date: **15/06/2024**
Work Schedule: **2:00PM to 6:00PM**
Location: **Krishnapuram Colony, Madurai – 14**

As an intern at Epic Mind, you'll gain hands-on experience in web development, working closely with our experienced team of developers. This internship is designed to provide you with the opportunity to grow and learn in the dynamic field of web development.

Your tasks may include:

- Developing new website features and functionalities in Word Press.
- Ensuring seamless communication between different components of the website.
- Monitoring website performance to optimize user experience and functionality.

We're eager to have you on board and excited about the opportunity to work together.
