

SOURASHTRA COLLEGE, MADURAI – 625004

(An Autonomous Institution Re-accredited with 'B+' grade by NAAC)

B.Com. – SYLLABUS

(Under CBCS based on OBE)(For those admitted during 2024 – 2025 and after)

1

ABOUT THE DEPARTMENT

The Department of Commerce has been an integral part of the college since its establishment in 1967. Over the past 50 years, it has maintained an active and vibrant presence, having a commendable track record. The Department is staffed by a dedicated team of 13 members, all holding doctorate degrees and specialised in various areas of commerce. In 2005, the Department achieved the status of a full-time Research Centre with the introduction of a Ph.D. programme. Currently, the Department offers programmes in B.Com., M.Com., and Ph.D. The primary goal of the Department is to produce socially responsible graduates equipped with individual talents and skills to meet both national and global challenges in the present scenario.

VISION

The Vision of the department is to impart quality higher education in Commerce and related fields to the socio-economically weak students.

MISSION

- Empowering students with all the knowledge and guidance for the need to become worthy management professionals.
- Learning through doing.
- Enhancing their employability.
- Developing social consciousness among students.
- Development of personality.

SOURASHTRA COLLEGE, MADURAI – 625004

(An Autonomous Institution Re-accredited with 'B+' grade by NAAC)

B.Com. – SYLLABUS

(Under CBCS based on OBE)(For those admitted during 2024 – 2025 and after)

2

GRADUATE ATTRIBUTES

1. **(KB) A knowledge base for commerce:** Demonstrated competence in university level mathematics, natural sciences, commerce fundamentals, and specialized commerce knowledge appropriate to the program.
2. **(PA) Problem analysis:** An ability to use appropriate knowledge and skills to identify, formulate, analyze, and solve complex commerce problems in order to reach substantiated conclusions
3. **(Inv.) Investigation:** An ability to conduct investigations of complex problems by methods that include appropriate experiments, analysis and interpretation of data and synthesis of information in order to reach valid conclusions.
4. **(Des.) Design:** An ability to design solutions for complex, open-ended commerce problems and to design systems, components or processes that meet specified needs with appropriate attention to health and safety risks, applicable standards, and economic, environmental, cultural and societal considerations.
5. **(Tools) Use of commerce tools:** An ability to create, select, apply, adapt, and extend appropriate techniques, resources, and modern commerce tools to a range of commerce activities, from simple to complex, with an understanding of the associated limitations.
6. **(Team) Individual and teamwork:** An ability to work effectively as a member and leader in teams, preferably in a multi-disciplinary setting.
7. **(Comm.) Communication skills:** An ability to communicate complex commerce concepts within the profession and with society at large. Such ability includes reading, writing, speaking and listening, and the ability to comprehend and write effective reports and design documentation, and to give and effectively respond to clear instructions.
8. **(Prof.) Professionalism:** An understanding of the roles and responsibilities of the professional engineer in society, especially the primary role of protection of the public and the public interest.
9. **(Impacts) Impact of commerce on society and the environment:** An ability to analyze social and environmental aspects of commerce activities. Such ability includes an understanding of the interactions that commerce has with the economic, social, health, safety, legal, and cultural aspects of society, the uncertainties in the prediction of such interactions; and the concepts of sustainable design and development and environmental stewardship.
10. **(Ethics) Ethics and equity:** An ability to apply professional ethics, accountability, and equity.
11. **(Econ.) Economics and project management:** An ability to appropriately incorporate economics and business practices including project, risk, and change management into the practice of commerce and to understand their limitations.
12. **(LL) Life-long learning:** An ability to identify and to address their own educational needs in a changing world in ways sufficient to maintain their competence and to allow them to contribute to the advancement of knowledge

SOURASHTRA COLLEGE, MADURAI – 625004
