| 4 – Feedback System | | | | |
| .4.1 – Whether structured feedback re | eceived from all the | stakeholders. | | |
| Students | | | Yes | |
| Teachers | | | Yes | |
| Employers | | | Yes | |
| Alumni | | | Yes | |
| Parents | | | Yes | |

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

The College obtaining feedback from the students and all stackholders. a) Students: Every year, at the end of even semester, feedback is obtained from all the students through questionnaires on Teaching, Learning and Evaluation aspects and the academic and administrative aspects of the institution. The feedback form is available in the Website of the College. b) Alumni: The Sourashtra College Alumni Association conducts its annual meeting on October 2nd every year. During such meetings, the feedback and suggestions from the alumni on the available facilities, services, usefulness of courses etc. are carefully recorded. MBA and MCA Departments have their own Alumni Associations and they get feedback from their students. In addition to the regularly conducted Annual meeting of Sourashtra College Alumni Association (SCAAN), Our College Alumni of various departments have been conducting meetings in the campus. On such occasions, they provide valuable suggestions for the improvement of education in the form of feed back to the college c) Parents: Every year the Parent-Teacher Association meetings are conducted. Parents

present their opinions and suggestions in the meetings and also meet the Heads and other staff members to know about the academic performance of their sons and daughters. d) Employers / industries: During Industrial visits, Guest lectures, Conferences, Workshops and Seminars, the experts from Industries and Business give their suggestions and share their experience on the recent developments and changes in the respective subjects. e) Academic peers: Feedback is collected from staff members at the staff council meetings. Feedback from academic peers helps the faculty members to present their suggestions and ideas in academic meetings such as Board of Studies and Academic Council for updation of curriculum, introduction of new subjects etc. f) Community: Members of the General Body of Sourashtra College Council express their suggestions and ideas for the improvement of college in the meetings. The feedback collected through two suggestion boxes-one for aided course students and another for self-financed course students is carefully analyzed by the Principal and Heads and valued points are taken care of by the college. The feedback forms are available in the college website. Based on the feedback results, the IQAC and heads of departments jointly representing the same to the Management through the Principal. Introduction of new courses like GST, Python etc., RO water system, paver block roads, ladies rest room renovation, Tar road connectivity from college entrance to self-finance block are some the witness activities undertaken for overall development of the college.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

The Staff Council, additional responsibility committees for executing various academic, administrative, co-

curricular and extra-curricular activities and six units of NSS and one unit of NCC co-ordinate with the Principal to monitor and administrate students oriented activities of the college. The Principal, with the help of Heads of various departments and administrative office, reviews the activities of various departments regularly. He conveys the decisions of the Management to the staff and students and ensures the accomplishment of the mission of the college. The exchange of teaching staff between departments for engaging ancillary or allied theory papers is decided by the Heads of NCC also contribute their services to the smooth conduct of functions in the college. Various academic and non-academic committees have members drawn from different departments and they perform their assigned work in mutual coordination with teaching and non-teaching staff and students. Various organizations of the institution are helpful to monitor the internal activities of the College. The Principal conducts heads meetings, Staff council and various committee meetings in order to know about the activities of the departments for the well being of students. He interacts and discusses with the students representatives and gives his opinion for getting their cooperation in the implementation of various activities.

| Number of students enrolled in the institution | Number of fulltime teachers | Mentor : Mentee Ratio |

4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

| Assigned Budget on academic facilities | Expenditure incurred on maintenance of academic facilities | Assigned budget on physical facilities | Expenditure incurredon maintenance of physical facilites |
|---|--|--|--|
| 3600000 | 3601902 | 2100000 | 14280020 |

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website)

There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. The College has some procedures and practices for maintaining and utilising the facilities and resources available in the campus. These procedures guide the staff members to follow certainty in utilisation of facilities available to them for academic and non-academic activities. The ITC facilities of the College are effectively maintained by an AMC with TLS Services, Madurai. There are two electricians permanently working in the College and they undertake all electrical and plumbing related works. There are enough number of supportive staff to maintain and clean the Campus, class room and furniture and all such activities are coordinated by the Superintendent of the Administrative Office. Council Manager is scheduling the works to the supportive staff and getting things done by them. Sometimes, maintenance of the class room is done by outside workers. In the Library, the library staff members regularly maintain the stocks and kept the racks neat. There is an agreement with ROVAN software systems to maintain the Library software periodically. The Department of Physical Education is continuously adding laurels to the College. Various equipment available in the department and the play grounds are maintained by the marker and a management staff. The running track field is also used for playing cricket and football. CCTV camera is installed in various locations of the College to monitor routine happening in the campus. There is a register in the Principal's room to record staff grievances regarding maintenance of things and equipment. Science laboratory equipment is maintained by the lab staff and if need they utilise outside services. When the equipment and instruments get faults it can be repaired or replaced with the permission of the Principal. A gardener is appointed by the Management to maintain the plants and saplings in the campus.

CRITERION V – STUDENT SUPPORT AND PROGRESSION

5.1 – Student Support

5.1.1 – Scholarships and Financial Support

students' suggestions on curriculum, evaluation process, additions / deletions of course content are discussed and due considerations are given. Various clubs and their innovative activities provide a platform for the students to think

'out of box'. Students are given responsibilities in various committees viz., Department Associations, Placement Coordination Committee, Organizing Committees of Seminars, Conferences and workshops, to inculcate leadership qualities based on their capabilities. They are supervised and trained by the faculty of the respective departments. The Staff Council, additional responsibility committees for executing various academic, administrative, cocurricular and extra-curricular activities and six units of NSS and one unit of NCC co-ordinate with the Principal to monitor and administrate studentsoriented activities of the college. The Programme Officers and volunteers of NSS units and the Officers and cadets of NCC also contribute their services to the smooth conduct of functions in the college. The Principal conducts heads meetings, Staff council and various committee meetings in order to know about the activities of the departments for the well being of students. He interacts and discusses with the student's representatives and gives his opinion for getting their cooperation in the implementation of various activities. Sourashtra College NCC/NSS/YRC/RRC students are given opportunities to do social service in nearby villages (Gopalipuram, Muniyandipuram, Vilacheri and Nilayur). The students are participating in many social awareness programmes such as Swachh Bharat, Environment protection and Health Care. Blood donation is one among the best lifesaving practices in the college. Campus Cleaning and Sapling Plantations are practiced regularly to promote environmental awareness. Blood Donation Camp is successfully organized twice a year. The training programmes given to the students helped them to develop social qualities and adjust themselves quickly in this competitive society. In particular, students' confident level elevates remarkably high while facing personal interviews or in any challenging port-folios. Students excel in the off-campus interview and placed in various companies There was a steep increase in the number of students participating in intercollegiate meet/Symposiums/Seminars/Paper Presentations etc. Building up the self-confidence through various programmes made many NCC cadets join in Army and Police. Occasionally regular classes have to be cancelled for conducting such extension activity programmes. The Sports Committee recommends the purchase of sports articles and preparation of layout for intramural tournaments, and conducts zonal level and college level competitions.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 - No. of registered Alumni:

600

5.4.3 – Alumni contribution during the year (in Rupees) :

121150

5.4.4 - Meetings/activities organized by Alumni Association :

 DATE PROGRAMME RESOURCE PERSON PARTICIPANTS 04-06-2018 Group Discussion Dr. R. Meharajan Final B.com students 02.10.2018 Annual Meet Alumni 04-10-2018

 Workshop on power your presentation Prof. K. S. Ashwath Babu Mixed Group

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 - Mention two practices of decentralization and participative management during the last year (maximum 500

words)

The college follows the policy of decentralization. The college management is participative in nature, gives full freedom to the principal, heads and faculty members to carry out the academic activities effectively. 1. Staff Council: The principal is the president of the Sourashtra College Staff Council. The council consists of the principal, heads of the department, non-teaching staff representatives and the teachers with additional responsibilities. The grievances and the suggestions of the teachers are addressed to the management by the Principal from the Staff Council. Every teacher with Additional Responsibility is given fullest liberty to discharge their duties unto the welfare of the institution as well the students. Through staff council, in participative way, all the academic and non-academic matters discussed and represented to the management. The management is always in support of the collective decision taken in the staff council. 2. Parent-teacher Meeting: 'Parents-Teachers meeting' is conducted by Parents-Teachers Association every year to provide and receive feedback from the parents about the students and college. The parents give their feedback about the college. Our college management introduced Online feedback system for parents this year. It is available in the college website. 3. Value Education: Value Education paper is introduced in each department. It is an attempt to help the students follow the much-needed values like duty, honesty, kindness, compassion, responsibility, respect, consideration and concern, and obedience in their life and bring out the perfection within them. 4. Participation of Student representatives: On behalf of the students, two representatives from each department participated in Grievance Cell, and Board of Studies to suggest and represent their need and requirement in curriculum and infrastructure level. 5. Online Feedback system: Students' feedback is collected every semester, in person manually by the heads, to know the grievances as well as their suggestions. This year, as per the IQAC suggestion, it will be made available in college website. So the students as well as parents can send their feedback through online.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

| Strategy Type | Details |
|--------------------------------------|--|
| Admission of Students | The admission has been made systematic in order to make it fair and transparent. A committee, chaired by the Principal, with representation from downtrodden community prepares the admission policy year by year based on the reservation policy of the Government of Tamil Nadu. A separate committee chaired by the Principal will look after the admission of candidates under special categories such as differently abled, sports persons and wards of ex-service men etc., Being a Linguistic minority institution, 50 of the seats are filled with minority students and the remaining 50 seats are filled with Government guidelines. |
| Industry Interaction / Collaboration | The institution interacts with many industries / companies in and around |

| | Madurai. This helps students undergo implant training, short term projects, on-the-job training. This also ensures industrial visits. Other than this, the departments organize industrial visits to the industries in neighbouring states to inculcate onsite work culture. Invited lectures are also organized to use the expertise of Industrial experts. A few experts are also included as members in the board of studies/academic council to share their views. MOU's are signed with academic and industry people for conducting the collaborative activities for the benefit of our students. |
|---|---|
| Human Resource Management | The human resources of the campus, i.e., the students are given knowledge and skill to meet the external requirements. Value based education are being taught to make the students technically and morally strong. In addition, all Part V programmes foster the students with national and societal values. The management takes initiatives to fill all the vacancies at the earliest. The Management appoints temporary staff to bridge the gap including teaching non-teaching staff vacancies, in case of delay due to government procedures. A group of supporting staff are appointed by management to maintain the cleanliness of the campus and supervised by a Council Manager. |
| Library, ICT and Physical Infrastructure / Instrumentation | Our College Library has around 63000 text, reference and competitive examination books. The Library is automated with ROVAN software for making efficient use of it. In addition to the general library, each department is having a department library. Students are provided with library books both in the general and department library. They are also motivated to go through competitive examination books available in the career guidance cell. The infrastructure and instrumentation facilities in Science departments help in imparting practical knowledge to students. For efficient teaching learning, each department is provided with a Computer system with LCD projector and a printer. The physical education department motivates our students in various games, like Table |

| | tennis, Basketball, Cricket, Hockey, etc., and produces University players in each year. |
|----------------------------|--|
| Research and Development | The college has one research centre in the Department of Commerce. A number of articles have been published in peer reviewed Journals with high impact factors. Research Cell coordinated by Dean, Research and Development facilitates the research aspirants in registering for their Ph.D programme and scholars to conduct pre submission viva, external viva voce examination and requirements. The department of Business Administration and English are planning to promote their departments as research centre. Teachers are motivated to register for Ph.D., and to apply for guideship. |
| Examination and Evaluation | The examination calendar is prepared at the beginning of every academic year and published in college hand book and in the college website. The dates are strictly followed and the results are published on time. The results are presented to the awards committee for discussion on completion of the evaluation process. The summative examinations results are uploaded on the college website after the completion of awards committee meeting. The answer scripts are evaluated with external and experienced professors after the end-semester examinations and the results are published at the earliest. |
| Teaching and Learning | Teachers are encouraged to introduce novel teaching methods such as ICT enabled, participatory learning, interactive learning, etc., Learner friendly approaches by teachers motivate the students to take up higher education up to doctoral degrees in our institution. Besides regular teaching and learning process, the students and staff are encouraged to register for NPTEL courses. Strategies are planned to include NPTEL courses in the curriculum. Apart from regular courses in the curriculum, Value-added courses like office automation, Communicative English, Maths for competitive examinations , etc., are taught in the |
| | campus to increase the employment opportunities of our students |

| 11 | enhancement of quality in curriculum, | | | | |
|--|---|--|--|--|--|
| | measures are being carried out to | | | | |
| | implement Outcome Based Education (OBE) | | | | |
| | pattern in the ensuing academic year to | | | | |
| | enhance student competency to cater | | | | |
| | global needs. Apart from the defined | | | | |
| | syllabus multiple learning paths are | | | | |
| | made available for the students by | | | | |
| | making them enrolling in online courses | | | | |
| | NPTEL, projects, internships etc., | | | | |
| | Feedback on curricula is regularly | | | | |
| | taken and improvements are incorporated | | | | |
| | in due course. Employability | | | | |
| | enhancement skills are included in the | | | | |
| | curriculum focusing on the | | | | |
| | employability of the course. New | | | | |
| | courses are introduced to fill the gap | | | | |
| | between academic institution and | | | | |
| | industry. | | | | |
| 6.2.2 – Implementation of e-governance in areas of operations: | | | | | |

| E-governace area | Details | | | |
|-------------------------------|--|--|--|--|

During the pandemic period, our teachers have helped to the supporting staff with their generous financial contribution

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

At the end of the financial year, the accounts of the college are audited by internal and external auditors regularly. The audited accounts presented in the Sourashtra College Council members general body meeting every year. The college follows a transparent system of submitting accounts to the society. The internal audit is done by Mr. B.R.Chandrasekaran, Charted Accountant, and Membership No: 020619. The external audit is done by Joint Director of Collegiate Education, Madurai Region. For Ten years once, the college accounts are audited by a team from Accountants General, Chennai, TamiNadu.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

| Name of the non government funding agencies /individuals | Funds/ Grnats received in Rs. | Purpose |
|--|-------------------------------|---|

6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

| Audit Type | Exte | rnal | Internal | | |
|----------------|--------|----------------------------------|----------|----------------------------|--|
| | Yes/No | Agency | Yes/No | Authority | |
| Academic | Yes | Appointed external experts | Yes | Management and IQAC | |
| Administrative | Yes | JDCs office and AG office | Yes | Management and Auditors | |

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

'Parents-Teachers meeting' is conducted by Parents-Teachers Association every year to provide and receive feedback from the parents about the students and college. The parents give their feedback about the college. Suggestion for the academic and administrative betterment are whole heartedly welcomed and implemented. Grievances are also redressed if they have any. Our college management introduced Online feedback system for parents this year. It is available in the college website. This year the Parents - Teachers Meeting conducted on 15.03.2019 and 16.03.2019 for first year and second year students in their respective departments.

6.5.3 – Development programmes for support staff (at least three)

1. Financial support like loan and advance is given by the management and association for the welfare of the support staff 2. Through NSS, NCC, YRC, RRC and SCAAN etc., health-check up camp is organized for teaching, non-teaching and support staff 3. Training is given to all support staff to handle different wastages carefully 4.On the occasion of diwali, the Management magnanimously offers new uniform dress to the support staff

6.5.4 – Post Accreditation initiative(s) (mention at least three)

 Curriculum reforms are made in the Tenth Academic Council meeting on 28.03.2019
 Completion of construction of Scientific Fitness Centre 3.
 Sapling house / green house is developed opposite to the Ganapathi Temple of the College 4. Water tanks with RO system is installed near Science block 5. New canteen at Girls 'park and improvement of general canteen

6.5.5 - Internal Quality Assurance System Details

1. Sourashtra College is committed to "Zero Waste" and created eco-friendly environment and plastic-free environment. The college recycling scheme has included office stationery, electronics, laboratory material and furniture. Solid waste like leaves, paper sheets and other decomposable waste are collected and stored in a place. With the help of the municipality, it will be disposed. Waste Management of the college is separated into biodegradable and non-biodegradable. The collection of non-biodegradable waste is collected and handed over to Municipality to redirect it to disposal agents for recycling. Liquid waste like RO plants water will be channelized and irrigated to plants and trees. E-waste properly separated and stored in a place and it will be disposed with the help of Madurai Corporation authorities. 2. Many of the students of Sourashtra College are coming by Bicycles. The Management provides a free-parking place for the cyclers near two-wheeler parking with security facility. For adopting the green environment concept, the college provides 'Appreciation Certificate' to them to encourage. 3. A culture of reuse and recycling has been actively advocated through out the campus. Several initiatives have been implemented to significantly limit paper interchange such as cashless transactions (Online transaction of money), circulation of documents and notifications through Whatsapp messages and e-mails. 4. Rain Water Harvest system is installed properly and maintained regularly in three places of the college campus- 1) Near main gate, 2) Near Silver Jubilee Hall 3) Near UGC Block to extend the life and quality of current groundwater. 5. LEDs (Light Emitting Diodes) are solid light bulbs that are extremely energyefficient. Almost in all buildings in the college campus, LED bulbs are used to save energy. 6. Solar power is the conversion of energy from sunlight into electricity. Sourashtra College planted 4KV capacity renewable Solar Energy System in two places. 7. Sourashtra College maintains a beautiful eco-gardening / Green house in the college campus. It helps the students to take part in various activities like Sapling, gardening and protecting and maintaining the green environment and etc.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

 Plastic free Environment: Plastic waste is toxic to people, animal and the environment and they take more than hundred years to degrade. The management of Sourashtra College has raised an alarm urging to eradicate plastic usage at least the college campus. The following steps are taken to protect the environment i) Displayed "Plastic Free Zone" signboard to protect environment and stop plastic use in the campus ii) Seminars and Lectures are conducted to create awareness among the student about plastic and environment hazards iii) Programmes like Awareness Rally, Cycle Rally by NSS volunteers and NCC cadets

to create awareness among the people about the hazards of plastics 2. Energy Conservation: Infrastructure and construction of the college provides natural ventilation and lighting throughout its campus which helps conserve energy considerably. High ceiling, large and number of windows in each and every classroom and hall helps to avoid the artificial lighting. Apart from that energy efficient lightings like CFLs and LEDs are used in classrooms and departments. 3. Solar System - Renewable Energy: To promote use of renewable energy, the management of Sourashtra College planted 4KV capacity renewable Solar Energy system in two places in the college campus. (Computer Science Block and MBA Block) 4. Effective waste management: Sourashtra College is committed to "zero waste" and created eco-friendly environment and plastic-free environment. The college recycling scheme has included stationery, electronics, laboratory material and furniture. • Solid waste: Solid waste like leaves, paper sheets and other decomposable waste are collected and stored in a place. With the help of the municipality, it will be disposed. • Liquid waste: RO plants water waste will be channelized and irrigated to plants and trees. Liquid waste stored in the septic tank disposed with the help of Madurai Corporation • E-waste: The college has optimized its inventory of 360 computers through reassembling, modification and upgradation by the college own team of IT Administrator, faculty members and students of Computer Science. This has been an important endeavor towards E-waste management ensuring that no discarded computers or printers are lying idle in the office premises. E-waste properly separated and stored in a place and it will be disposed with the help of Madurai Corporation. 5. Water Conservation and management: Water Management is important since it assists to decide future expectation. The college approach in rain water harvesting and sustainable water management is the combined use and storage of surface and ground water through the creation of tanks and deep bore wells to achieve more efficiency in water usage and lessen degradation of water. The main campus of the college has combined the following features in sustainable water management and rain harvesting. • There are three Rain Water Harvesting System in the college.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Title of the practice: "Creating student centric, friendly, innovative and supportive environment to excel teaching and learning process" As the world turns into a global village in the modern era, the education too becomes competitive today. It is need of the day to deliver the new knowledge to the pupils. Student centric, friendly, supportive, innovative and best practices are required for any institution to establish and flourish further. The objectives of the practice ? To uplift the socially and economically backward students ? To create a conducive ambience for the pupils for their better learning ? To pay utmost care that their personal and financial circumstances do not affect their academic career ? To frame the syllabus which enable the students to get job opportunities, enhancing their entrepreneur skills and to act independently and have work on experience. ? To make the students effectively navigate and negotiate complex social relationship ? To inculcate positive behaviors, mentally and emotionally that should continue the affinity with the institution even after the course completion. ? To prepare the socially and economically backward students to shed their inhibitions by finding creative solutions to emerging challenges that will make them ready to collaborate with others at all level. The context ? Affordability: Apart from the government reservation, the marginal students from Sourashtra community are given priority in admission. Comparatively the college charges nominal fees in the self-financing stream. ? Employability: The courses are designed to hone the employability skills of the students ? Concern and Welfare: The College is committed to the success and well-being of the student in academic, social,

professional and personal life. ? Safety: The system of the college is framed to provide the safety, security and cohesive learning. The practice ? Sourashtra College is a linguistic minority institution with magnificent buildings started by the philanthropists to impart education to the sons and daughters of daily wage earning weavers into confident and successful graduates and post-graduates. Comparatively the college collects nominal fee from the students for all the programmes. The students are given various government and non-government scholarships like financial supports from the management, Sourashtra College Alumni Association (SCAAN), Teachers Association, and various trusts. The scheme of Noon-meals to the needy students is provided by Alumni Association, the Management, many philanthropists, teachers and various organisations. Uninterrupted power supply helps the students feel comfortable to learn without any distraction and obstacles. The campus provides mineral water facility for the students to maintain hygiene. The College has a fleet of buses (16) that ply from important points in and around Madurai to the campus and back to facilitate comfortable commuting for girl students and staff. ? The college takes effort to impart knowledge and helps the students to face the challenges and problems confidently and boldly. Each year, an Orientation Programme is conducted for the first year students to give a thorough understanding of the rules and regulation of the college and to have a bird'seye-view of the curriculum. Various seminars, conferences, workshops are conducted to help them update their knowledge and learn beyond their curriculum. By conducting various programmes like cultural programme, spiritual programme and gender awareness programmes the college helps the students develop their personality and also bring their hidden talents to limelight. Many public awareness programmes are organised to develop their personality through community service. In general, lack of communication skills affects students' learning at present and future career. The curriculum is designed in such a way that it should enrich the employability skills of the students. Courses like Communicative English, English for Competitive Examinations, Introduction to PC Software and Internet, Emotional Intelligence for Effective Leadership, Company Administration, Management of Human Resources, Publication of Part-I/Part-II and Soft Skill books for enriching academic performance and skill development of the students are useful at initial stage in studies. The Language skill development programmes are conducted separately to the students after their regular classes. The feedback and suggestion of the students are helpful to modify and improve such programmes / books. ? Sourashtra College not only takes the care of gender equity but also differently abled student's academics. The college helps the visually challenged students to write examination by arranging scribers. By arranging some volunteers, such student is helped to read and prepare study materials. ? The tradition of providing Free Mid-day Meals in Sourashtra Boys Higher Secondary School was started in 1911 by Rashtrabandhu Shri.L.K. Thulasiram, a doyen of Lawyers and the founding father of the School, a few trustees and philanthropists. It is probably the oldest noon-meal scheme in the country. By seeing that then Tamil Nadu Chief Minister Thiru. K Kamaraj was inspired to introduce the scheme for the entire State. Free Noon Meals scheme was adopted in Sourashtra College after 1990's. It is a very successful scheme and helps to encourage poor students, belonging to disadvantaged sections, to attend college actively without affecting from lack of nutrients and help them concentrate on classroom activities. ? Student feedback is an invaluable component in improving teaching and curriculum. By collecting student feedback, courses can be adjusted to make them better learning experiences for the students. Through the care consideration of end of the term feedback, courses can be improved. ? Good punctuality reveals that students are committed and that they are keen to learn and progress. In this context, the Management of Sourashtra College strictly follows punctuality of the students and offers a special cash reward for students (self-finance) who have secured 100 attendance. ? There are more than 30 surveillance CC TV

cameras to monitor unwanted intruders in the college campus, committing crimes, theft and break-in. It helps to curb vandalism on the campus property. It helps to monitor unruly and misbehavior of the students and ensures safety and security of the staff, teachers and students. ? To keep the privacy as well as to eliminate unwanted incidents, College maintains separate Common Park, room and canteen for girls' students. There is a separate common room for women staff. Apart from these every Department of the college has separate common room for Faculty members. Evidence of success ? After completing the skill development programmes, students from rural area are become confident in communication and they develop themselves to get placement in various companies ? Students got placement in various companies in and around Madurai and outside the district ? In the 'parents meet' most of the parents agree that their children have improved and confident to face the society because of these skill development program conducted by the College. ? Decrease in the number of students failed in Part-I and Part-II language papers is the resultant evidence of success to the publication of books by the College ? Because of the bus facility and safety, parents of girls' students prefer Sourashtra College for their daughter's higher studies. Problems encountered and Resources required ? Scholarship from the Management, Trusts, Philanthropists and teachers is not sufficient to help all the needy. ? More class rooms with LCD players facility are required to make the courses more effective ? Government City bus facility to the college route is not adequate. Title of the Practice: "Producing Socially Responsible Citizenship through dedicated and selfless community services" Objectives: ? To motivate and train the students to become a part in nation building and development of the society. ? To engage the students in NCC, NSS, YRC, RRC to conduct various awareness programmes. ? To create responsibility in students minds about different social, political, economical and environmental problems. The Context: ? The interested students of our College voluntarily enroll in NCC/NSS/YRC/RRC ? Various awareness programmes organized by the respective units on different aspects regularly. ? Trained students are made to participate in various activities at state and national levels. ? Blood donation is one among the best life saving practices in the college. The Practice: ? Sourashtra College NCC/NSS/YRC/RRC students are given opportunities to do social service in nearby villages (Gopalipuram, Muniyandipuram, Vilacheri and Nilayur). ? The students are participating in many social awareness programmes such as Swach Bharat, Environment protection and Health Care. They are made as a part of promoting Social welfare of the public. ? Campus Cleaning and Sapling Plantations are practiced regularly to promote environmental awareness. ? Blood Donation Camp is successfully organized twice a year. Evidence of Success: ? The training programmes given to the students helped them to develop social qualities and adjust themselves quickly in this competitive society. ? In particular, students' confident level elevates remarkably high while facing personal interviews or in any challenging port-folios. ? Students excel in the off campus interview and placed in various companies ? There was a steep increase in the number of students participating in intercollegiate meet/Symposiums/Seminars/Paper Presentations etc. ? Building up the self-confidence through various programmes made many NCC cadets join in Army and Police. Problems Encountered: ? Occasionally regular classes have to be cancelled for conducting such extension activity programmes.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The vision of the college is to provide affordable quality higher education. In the process of attaining the vision, short-term and long-term strategic plans have been drawn. Emphasize is being given to initiate various quality measures such as augmentation of infrastructure, quality of teaching staff, increase in need based new programmes, interaction with other institutions, placement and emerge as an institute of excellence on bar with eminent institutions. In order to achieve these things, the institution follows a steadfast principle of collecting affordable fee for aided stream and self-financed stream students. This practice followed since the inception of the college. The institution stringently follows Government regulations on reservation policy and merit in admission. No capitation fee is collected in both aided and self-finance stream. Quality standards prescribed by the UGC are strictly adhered in appointing staff members and maintain teacher - student ratio as 1:18. The research cell, with well-defined research policy, motivates teachers and students to pursue research by way of providing facilities and incentives. Out of 142, 54 are doctorates. Quality education is complemented with an enhanced infrastructure. The college constantly augments its infrastructure, catering to the needs of all levels of academic programmes. The fruition of quality education is career readiness and a lucrative placement. College conducts campus placement drives and effectively bridges the gap between the demands of the industries and our skilled students. Every year, the number of students getting placed through on and off campus interviews increases with a reasonable salary. Socially backward students are facilitated with backward class, scheduled caste and scheduled tribe scholarships from the state government. Economically backward students are helped to get scholarships from Madurai Charitable trust, MUTA, SCAAN etc.
